Introduction

This technical note lists the countries and areas available in the drop-down lists in questions C0.3, C8.2e, C-EU8.4a and C15.4a, RE100-only questions C8.2g, C8.2h, C8.2i, C8.2j, and C8.2m, as well as additional country/area groupings available in questions C-FS3.6b, C7.2, C7.5, C12.3a, C-FS14.2c and FW-FS4.4a of the climate change questionnaire. Details are provided under each region, either explaining which countries/areas comprise it, or explaining which of the other selectable regions comprise it.

Note: in this technical note the delimitation of geographical regions does not follow any particular system and the designation of geographical entities does not imply the expression of any opinion by CDP concerning the legal status of any country, territory, or area, or of its authorities, or concerning the delimitation of its frontiers or boundaries.
