

CDP logo

The CDP logo is available:

When CDP works in partnership with an organization for the duration of the partnership or a particular project; to indicate that a company publicly takes part in the CDP process as a signatory or reporting organization; and when an organization buys a service from us (eg reporter services, supply chain or investor membership).

The logo must never be recreated. The full color version must only be applied to white backgrounds. A white only version is supplied for use on coloured backgrounds. The primary logo features our strapline 'Disclosure Insight Action'

Please use this version wherever possible.

To ensure the CDP logo maintains impact, especially in busy graphic environments, a defined clear space must be maintained around it. To achieve this please leave a minimum space around the logo that is equivalent to the smallest triangle. **See diagram below.**

Always ensure the logo is prominently positioned. In situations where it is necessary to feature it at a smaller size, please do not apply it at a width less than 25mm as indicated.
