

CDP Discloser stamp

The CDP Discloser and Supporter stamps are available to accompany communications to indicate that a company has publicly taken part in the CDP process as a signatory or reporting organization, in the year stated on the stamp. Enhanced fee payers are entitled to use the 'CDP Supporter' badge.

Always ensure the stamp is prominently positioned. In situations where it is necessary to feature it at a smaller size, please do not apply it at a width less than 25mm. The stamp must never be recreated.

To request permission to use the CDP logo, please email emily.peddle@cdp.net or henry.fogarty@cdp.net.
