

CDP media factsheet

About CDP

CDP is a global non-profit that runs the world's environmental disclosure system for companies, cities, states and regions. Founded in 2000 and working with more than **740** financial institutions with over **US\$67 trillion** in assets, CDP pioneered using capital markets and corporate procurement to motivate companies to disclose their environmental impacts, and to reduce greenhouse gas emissions, safeguard water resources and protect forests.

Nearly **25.000** organizations around the world disclosed data through CDP in 2023, including more than **23.200** companies including **89%** of European stock market capitalization and over **1.100** cities, states and regions.

CDP's database of more than 23.000 companies and 1.100 cities, states and regions is **available for use by journalists**.

Locations

CDP is an international organization with headquarters in **Berlin, London, and New York** and regional offices and local partners spanning 50 countries. In the EU, CDP's headquarters is in **Berlin**, with staff also based in **Brussels** and **Stockholm**. CDP is a charitable organization registered in Brussels and Berlin and on the EU Transparency Register since 2012.

Key CDP numbers
